Judging No Easy Task

The judging of the kennel show took place on Tuesday afternoon and evening Howland, Honolulu. and was completed yesterday morning. when Jack Bradshaw announced his selections, in the many classes of ca nines shown. This portion of the great Territorial Fair was an unqualified success and the promoters, officers and members of the Hawaiian Kennel Clubhave already determined that this will be an annual feature.

Mrs. Beggs with her entry, "Sam, won the beautiful cup presented by W. J. Harvey, president of the Hawaiian Kennel Club, for the best dog shown at the exhibit.

Secretary Tom Sharp, who offered a silver cup for the best Airdale exhibited, is now trying to solve a rather perplexing riddle, for Jack Bradshaw gave a first place to a male Airdale and another first place to a female of the same class. Now, which of the two can be said to be the best dog in this class at the show is what Mr. Sharp wants to know. Unless Judge Brad show settles this point by a second decision the secretary will hardly know which of the pair wins his trophy. solution offered vesterday was that atother cup be provided and the thing would be settled without trouble.

"If I should be swaved by the niceties of the game I would probably be compelled to say, 'Ladies first,' which would be one way out of my present perplexity."

In a great measure, the success of the dog show has been credited by many to Mr. Sharp, who was first and last an enthusiastic booster and worker for
